## LAS NIÑAS DE LAS MADRECITAS

Comprised of daughters of Las Madrecitas and Las Amigas de Las Lomas members, Las Niñas involves young women who are high school students and work to meet Los Angeles Orthopaedic Hospital and community service volunteer hour commitments. Projects include an annual fundraising fashion show and luncheon in the Spring and annual holiday candy sales. Members also make items such as stuffed pillows for the Hospital's young patients.

## PINAFORES OF THE LEAGUE FOR CRIPPLED CHILDREN

Children from 1st through 8th grade and their parents have participated in the Pinafores, a parent-child organization. Learning to help others while volunteering and having fun is the primary goal of the Pinafores.

## JUNIORS OF THE LEAGUE FOR CRIPPLED CHILDREN

The Juniors is a parent-child group that channels the energy of high school teens into helping the pediatric patients at Los Angeles Orthopaedic Hospital.
