Presentation of Team & Contest Winners

**Monday
June 8, 2009**

**Palos Verdes
Golf Club**

A LEGENDARY EXPERIENCE

We invite you to join our community of peers, business leaders and supporters of the Los Angeles Orthopaedic Hospital in a celebration of the legacy of excellence established by its founder Dr. Lowman, nearly 100 years ago. The Paul and Berniece Harbers Runyan Memorial Golf Classic attracts members of the philanthropic and business communities in an effort to raise vital funds to provide care for children with crippling disorders, regardless of their family's ability to pay.

PAUL RUNYAN RECOGNITION AWARD

Paul and Berniece Harbers Runyan played vital roles in support of Orthopaedic Hospital for many years, because they believed in the Hospital's mission to help children receive the best orthopaedic medical care, regardless of a family's ability to pay.

In 2001, the Hospital created the Annual Orthopaedic Hospital Paul Runyan Recognition Award in memory of Berniece Harbers Runyan and in tribute to this couple's commitment to the children cared for by the Hospital. With the passing of Paul in early 2002, the award will continue to serve as an honor to Paul himself, a golfing legend who gave of his time and talents to ensure that children with crippling disorders at Orthopaedic Hospital received medical care and treatment. In memory of both Paul and Berniece Harbers Runyan, this annual award is bestowed upon a person who has made significant contributions to charitable causes and to the sport of golf.

In the past, awardees have included:

Jack Nicklaus
Arnold Palmer
Chi Chi Rodriguez
Greg Norman
Hale Irwin
Raymond Floyd
Annika Sorenstam
Tom Kite

2009 AWARDEE: GARY PLAYER

Gary Player has won 163 professional golf tournaments worldwide and is one of only five men to capture golf's coveted Grand Slam. Off the course, Player has raised over \$30 million for underprivileged children's education globally through the efforts of The Player Foundation; he has designed over 300 golf courses worldwide; has bred over 2000 winning racehorses on the Gary Player Stud Farm in South Africa; and in recognition of his achievements in golf as well as his dedication to charity, Player has received awards including the Laureus Lifetime Achievement Award and the 2006 Payne Stewart Award. He currently serves as the Global Ambassador to the World Golf Hall of Fame and has been dubbed the Black Knight and The World's Most Traveled Athlete™.

HELP US MAKE A DIFFERENCE

Robert M. was born with clubfoot - a very correctable but potentially debilitating deformity. For over half a century, most orthopaedic surgeons have performed surgery to correct clubfoot, but that treatment often led to pain and stiffness by the time the patient reached adolescence. Robert was fortunate to come to Orthopaedic Hospital, where Dr. Lewis Zions leads a team that has adopted casting and bracing techniques that correct this condition within two months or less. Clinical research conducted by orthopaedic surgeons at medical centers across the nation confirmed superior results using this method - a clinical intervention originally proposed by Dr. Ignacio Ponseti at the University of Iowa decades ago but not widely accepted until clinical research proved its superiority to surgical correction.

Dr. Zions with a clubfoot patient

When medical care teams that care for children are able to design research studies, collect long term outcome data comparing different methods of treatment and analyze results, the potential for vastly improving outcomes for our children is dramatic. Clinical research is the fastest and most cost effective route from hypothesis to improved treatment for our children.

Proceeds from the 20th Annual Orthopaedic Hospital Paul and Bernice Harbers Runyon Golf Classic will be used to support pediatric clinical research by Orthopaedic Hospital's pediatric orthopaedic physicians. Your contributions will make a profound difference in the quality of care we are able to provide for children with crippling disorders.

ABOUT LOS ANGELES ORTHOPAEDIC HOSPITAL

Los Angeles Orthopaedic Hospital (OH) is a recognized world leader in patient care, education and research in orthopaedics, resulting in an improved quality of life for children and adults with crippling disorders. For nearly a century, OH has been helping children afflicted with crippling conditions lead healthy, active lives, regardless of the family's ability to pay. The hospital is supported by the Los Angeles Orthopaedic Hospital Foundation and is expanding both its treatment and research facilities. In an alliance with UCLA, the new inpatient Orthopaedic Hospital is under construction in Santa Monica. The Orthopaedic Hospital Research Center opened in September 2007 in Westwood and is the largest and most sophisticated musculoskeletal research facility in the world.

SPONSORSHIP OPPORTUNITIES

TOURNAMENT TITLE SPONSOR:

SOLD

PRESENTING SPONSOR:

\$30,000

Sponsor name integrated into name of event

Five (5) foursome entries with deluxe tee gift package with an additional special gift for each player

Twelve (12) additional reservations for reception and awards dinner
